

AMENDMENT TO SPECIFICATION

Page 1, Paragraph 1:

This continuation-in-part (CIP) U.S. patent application claims the priority of U.S. Design Patent Application No. 29/175,100 filed on January 22, 2003, entitled "Quiet Vertical Take Off & Landing (VTOL) Aircraft", of the same inventors, and U.S. Patent Application 10/666,936 filed on January 7, 2002, entitled "VTOL UFO", by the same inventors.
